

REDCLIFFE SHOW HOSPITALITY TENT

Calling all Local Christians

Prayer tent

1 – 5 July 2009

A God-given opportunity to be an expression of the fullness of Jesus in the Redcliffe Peninsula community as thousands of residents make their annual trip to the Redcliffe Show. For some 15 years Keith and Mary, Gary and Karen and Christians from all parts of the church in the region have come together as ONE to serve the Redcliffe community, and the Show community through the Hospitality Tent.

Over the years hundreds of tracts have been given, Bibles have been given, people have been prayed for, & many have become followers of Jesus. All because a group of Christians came together in the name of Christ to BE the church in this setting.

Last year, we gave out approximately 2000 cups of tea, coffee or cordial, with a tract in a warm and friendly environment.

This year there will again be a Prayer Tent, where people can gather to pray or be prayed for. What an opportunity! On the evening on Wednesday 1st July @ 7.30pm, we will prayer walk the boundaries of the showground, praying God's blessing and protection on all who work there and visit. We'll meet at 7.30pm just outside the main entrance to the showgrounds.
